

# SLIPPERY WHEN WET

## COBRA

### DESIGNER:

Kees Spanjers, Amsterdam, the Netherlands

### LOCATION:

Cobra Café, Amsterdam, the Netherlands

### DESCRIPTION:

This bright café toilet boasts a floor-to-ceiling mirror that extends the full length of the space. Opposite it are two cubicles with doors made of Private glass, whose surface changes from transparent to translucent when the user activates the lock. The attendant can thus keep an eye on occupants without infringing on their privacy.

### SPECIAL FEATURE:

Above the men's urinals are three TV screens tuned to MTV.
